

Poplar Creek Public Library District
Serving/Selling Alcohol in the Library Policy

The Poplar Creek Public Library District (PCPLD) recognizes that it is appropriate during certain events and programs to either sell or serve liquor in the library. While during normal business hours this practice is forbidden, this policy is in place to allow for exceptions as approved by the PCPLD board of trustees. Senate Bill 399 has amended the Liquor Control Act of 1934 to allow for the sale of liquor in libraries. The library will abide by all laws pertaining to the serving of liquor and will keep public safety as a priority in all endeavors. Liquor will only be allowed in designated areas. The library board reserves the right to determine when to exercise this privilege.
